

Leadership And Governance Studies

Course Overview:

This course has been crafted to equip students with the practical skills needed for effective leadership and administration. It aims to enhance their ability to think strategically and make informed decisions when faced with development challenges. By participating in this course, individuals will have the opportunity to deepen their understanding of today's most complex socio-cultural, economic, and leadership issues. Moreover, they will be empowered to develop innovative solutions that can effectively address these problems.

Expected Learning Outcome:

Upon finishing this course successfully, learners will be able to:

- Foster the growth of visionary leaders who possess not only creativity but also an entrepreneurial mindset essential for serving in various sectors such as public service, private enterprise, or civil society.
- Instill valuable leadership values and competencies within workplaces across different industries.
- Produce highly capable individuals equipped with the knowledge necessary to establish efficient governance frameworks within organizations.

Potential career opportunities include roles as, Civil Servants or Teachers, Governance Advisors, Public Relations Officers etc.

Course Level: Certificate, National Diploma & Higher National Diploma
